

April 28, 2012

Dear Colleagues:

We are happy to forward to you the results of the 2012 National Italian High School Contest Examination. Upon receiving these results, please inform your students of their performance, inform your principal, and send a congratulatory letter to the students' parents. In order to showcase your outstanding Italian program to the community it is suggested that you send a picture of the student(s) and teacher(s) to the local newspaper.

This year schools from the following states participated: California, Connecticut, Florida, Illinois, Louisiana, Maryland, Massachusetts, Michigan, Mississippi, Missouri, Nevada, New Jersey, New Mexico, New York, North Carolina, Oklahoma, Pennsylvania, Puerto Rico, Rhode Island, Texas, and 2 schools from Canada. The number of students who participated is as following:

Level I - 1,552 Level II - 1,610 Level III - 1,357 Level IV - 995

On behalf of this association and the members of the AATI National Contest Examination Committee, we extend our warmest congratulations to all the students who distinguished themselves, to those who received National Honorable Mention, to all participants, to you, and to the Italian faculty of your school.

The winners were selected from three categories: Level I (Categories A and B); Level II (Categories A and B); Level III (Categories A, B, and C); Level IV (Categories A, B, and C). **AS STATED ON THE ORDER FORM: Category B and C students have more experience in the language than Category A students and are expected to do better on the exam. For this reason, AATI will award prizes to Category B and C students ONLY if their scores are higher than the scores of students in Category A.**

Please note that all students' certificates and monetary awards will be mailed to you to your school address. It is your responsibility to inform your principal of the top five winners in each category, students who received National Honorable Mention, and students who were selected to receive the scholarship from the Società Onoraria Italica.

Professor Carlo Sclafani, president of the **Società Onoraria Italica**, has contributed \$1,200 to this contest. The AATI Test Development Committee considered all of your suggestions and decided to award more students who participate. Therefore, this year, twenty-four (24) students from the Honorable Mention List in each level will receive \$50 dollars each from Professor Carlo Sclafani. The twenty-four recipients were selected using a lottery system.
